Judiciary Committee

SUPPORT SB 1210

OPPOSE SB 1094

Subject: Please **OPPOSE** **S.B. No. 1094 AN ACT BANNING LARGE CAPACITY AMMUNITION MAGAZINES.**

Please oppose this bill. I am a law abiding, taxpaying, honest citizen. I have a permit to carry firearms legally in Connecticut. This proposed law may make me a criminal for firearm products I purchased within the law. Any money I spent to purchase these products which I paid tax on to the state of CT would be illegal and make possession of such products a criminal offense.

The problem is not me or any other law abiding citizen. It is the person who does not care about you, me or anybody else but themselves. They will do anything to disrupt society whether they use a gun, knife, club, fire or fist. The criminal with an illegal weapon – whether it has one round or 100 rounds is still a menace to society. We must set our sights on the person and not the weapon the criminal chooses to use.

This bill would also create a loss of tax revenue which we pay for. I will also have a very bad effect on businesses that manufacture and sell these products. The state is in financial mess as it is. We don't need to hurt businesses, our tax base or tax payers any more.

Please **SUPPORT** **S.B. No. 1210 AN ACT CONCERNING THE USE OF DEADLY PHYSICAL FORCE TO DEFEND THE RESIDENTS OF A HOME.**

Thank you
